Introduction

"Welcome to my project, A game-changer in workforce management where I've seamlessly blended Power Apps Canvas Development, SharePoint, and Power Automate. This combination delivers a user-friendly experience while ensuring data security and automation excellence. This project is designed to elevate your HR operations to the next level.

Dashboard Overview

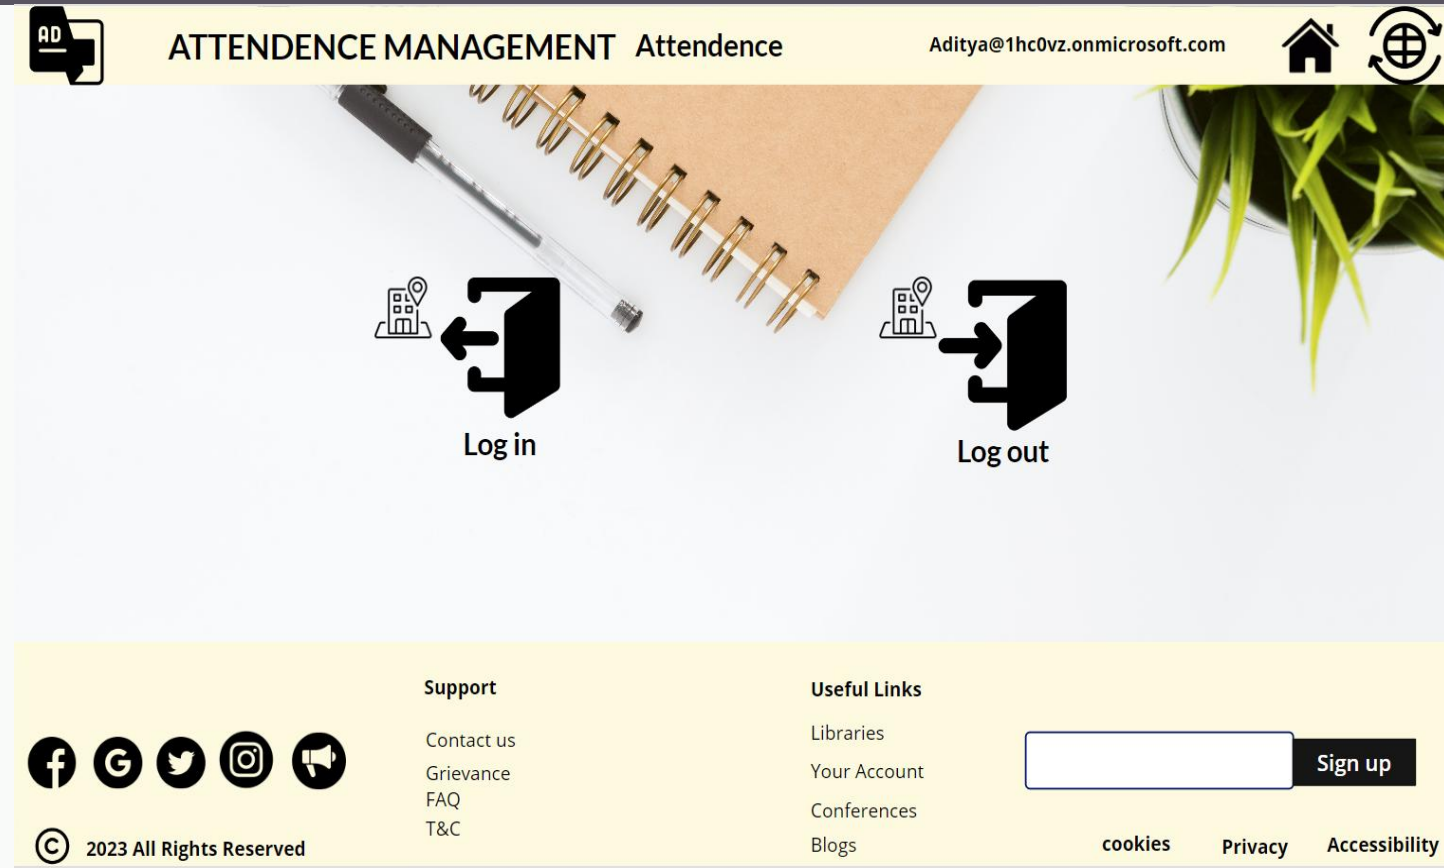

The Dashboard screen provides a comprehensive overview of essential metrics and insights. Easily Navigates to designated screen based on user roles and performance at a glance, empowering informed decision-making.

Attendance Screen

Log in Logout

Secure Log In/Log Out screens ensure seamless access control. Users can securely log in to access the system and log out when done, safeguarding data and system integrity.

**Power comes not
from knowledge
kept but from
knowledge
shared**
